

Evidence checklist
Category C4 - Accredited certifier – stormwater management facilities construction compliance

Criteria no.	Criteria	Membership	Qualification/Unit no.	Experience	Checklist	
Specialty knowledge (know and understand...)	C4.1	NER – Civil engineer	49107 - UTS	Annotated performance criteria report – for template, refer to www.bpb.nsw.gov.au	<input type="checkbox"/>	
	C4.2		49107 + 49113 - UTS		<input type="checkbox"/>	
Specialty skills (ability to ...)	C4.3		Determine the extent of constructed building works and/or subdivision works to be certified			<input type="checkbox"/>
	C4.4		Identify and confirm inspection requirements so as to monitor compliance during construction, relevant to the category of accreditation			<input type="checkbox"/>
	C4.5		Plan and conduct inspection(s) of building works and/or subdivision works, to assess and confirm compliance and/or non-compliance, relevant to the category of accreditation and take appropriate action prior to issue of a compliance certificate			<input type="checkbox"/>
	C4.6		Apply appropriate engineering principles (as relevant to the category of accreditation) to relevant aspects of the construction documentation against relevant BCA, legislative, council and other requirements when assessing the constructed SMF works for compliance with relevant requirements			<input type="checkbox"/>
	C4.7		Evaluate construction specification requirements and materials for building works and subdivision works, relevant to the category of accreditation			<input type="checkbox"/>
	C4.8		Apply relevant standards and codes related to design and construction of SMF including requirements and/or guidelines for sedimentation and erosion control as required by consent conditions			<input type="checkbox"/>

UTS = University of Technology, Sydney
